

# THEFT PROTECTION

Prepare for the unexpected.

## The Interstate Theft Protection System

- ★ Labels with traceable identification numbers permanently mark the product's body parts.
- ★ If removed, the labels will leave indelible identification numbers on the product's body parts that can only be seen with ultra-violet light.
- ★ The identification numbers can be scanned by law enforcement officials to trace the product's ownership.
- ★ Identification numbers are registered in a database accessible to law enforcement officials.
- ★ Permanent markings increase recovery.
- ★ Window warning labels, indicating the product is marked and registered, discourage theft.

## Theft Protection Features & Benefits

- ★ One of the most effective theft deterrent systems available.
- ★ Cannot be by-passed or removed.
- ★ Traceable products are rarely purchased by "chop shops."
- ★ The chance of theft can be reduced up to 60% with product registration.
- ★ The chance of recovery can be increased as much as 85% with product registration.

Enjoy the secure feeling of knowing you are protected by Interstate Theft Protection. Fast response and excellent service are just two reasons why millions of motorists rely on Interstate Theft Protection for on-the-road protection.
